*Transforming Insights into Sustainable Impact
through Business Analytics*

—  17th & 18th September 2026 —

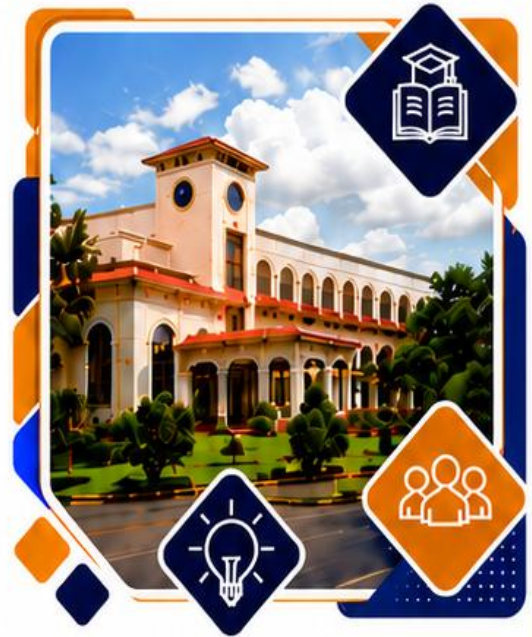

Venue:
Auxilium College Auditorium

Timing:
9.30 AM to 4.30 PM

AUXILIUM COLLEGE (AUTONOMOUS), VELLORE

Auxilium College founded in **1954** is the first Women's College in the Vellore District and is affiliated to the Thiruvalluvar University. Auxilium has been granted the status of autonomy by the UGC and the Thiruvalluvar University from the academic year **2007-2008**. The College is accredited by NAAC with **A*** Grade in the 4th cycle. The goal of the educative endeavour of Auxilium is to produce in a Salesian atmosphere, intellectually enlightened, spiritually inspired, emotionally balanced, morally upright, socially committed, accomplished – in a word – integrally formed young women who will be agents of social transformation globally. The Preventive System is based on the three keys: Reason, Religion, and Loving Kindness. From this basis, we see the relationships that Don Bosco encouraged: the educator seeks to make oneself loved, takes the young where they are, believes in their capacity for good, wants to be with them. With a strong emphasis on interdisciplinary learning, industry engagement, emerging technologies, and sustainable development, Auxilium College provides a vibrant academic environment that encourages knowledge creation and meaningful societal impact. The College continues to nurture a culture of excellence, collaboration, and innovation, making it a fitting platform for academic conferences that bring together researchers, academicians, industry experts, and practitioners to share insights and explore transformative ideas.

DEPARTMENT OF BUSINESS ADMINISTRATION & RESEARCH PROGRAMMES IN MANAGEMENT STUDIES

The Department of Business Administration at Auxilium College has been committed to excellence in management education, professional development, and research for nearly three decades.

The **Bachelor of Business Administration (BBA)** programme was launched in **1997** with the vision of grooming young women into competent executives to meet the evolving needs of the global business environment and proudly commemorates **30 years of academic excellence**, nurturing future business leaders through quality education, innovation, and dedicated service.

Building upon the success of the BBA programme, the Department expanded its academic horizon with the launch of the **Master of Business Administration (MBA)** programme which was introduced in **2012** to empower young women to become accomplished executives and entrepreneurs through leadership development, managerial competencies, and professional growth, and proudly marks **15 years of excellence**.

As part of its academic diversification, the **Bachelor of Business Administration (Hospital Administration)** programme was introduced in **2017** in collaboration with **Christian Medical College (CMC) Vellore**, integrating management education with healthcare administration and preparing competent healthcare management professionals, the programme proudly celebrates **10 years of dedicated service and academic excellence**.

The Department also commenced its **Research Programmes in Management Studies in 2017**, offering M.Phil. and Ph.D. programmes. The Department has a strong team of seven Research Supervisors and **produced nine Doctorates**. Currently **nineteen** Research Scholars are pursuing their research. The Department continues to foster a vibrant culture of academic excellence, research, innovation, leadership, and dedicated service.

MADRAS MANAGEMENT ASSOCIATION (MMA)

Madras Management Association (MMA) is a premier institution that connects businessmen, industrialists, students and academicians, policy makers and innovators to propagate Management Movement in this part of the country. Millions have benefitted from their collaborative programs, flagship events, seminars and workshops. MMA has crossed many milestones to spearhead the spirit of Management Thought in this part of the country. Today they are one of India's foremost management associations, winning the **Best Local Management Association Award** continuously for the past 15 years.

AMBALAL SHARES & STOCKS PRIVATE LIMITED (ASSL)

Ambalal Shares & Stocks Private Limited (ASSL) is one among the Ambalal group of companies and one of the fastest growing and **1st Corporate Member of NSE, BSE & MCX** having Registered & corporate office at Vellore and aims to render services in Equities; Futures & Options, Currency Derivatives, Commodity, Mutual Fund and insurance, across PAN India.

ABOUT THE CONFERENCE

The conference emphasizes the process of converting raw data into meaningful insights and using those insights to make strategic, evidence-based decisions that generate sustainable value for organizations, society, and the environment. The conference provides an interdisciplinary platform for academicians, researchers, industry professionals, policymakers, research scholars, students, and analytics practitioners to exchange knowledge, present research findings, share industry experiences, and discuss emerging trends in business analytics.

It highlights the vital role of Business Analytics in enabling managers, policymakers, and organizations to analyze complex data, predict future trends, optimize resources, and support innovation while contributing to the United Nations Sustainable Development Goal 8 – Decent Work and Economic Growth and Sustainable Development Goal 9 – Industry, Innovation and Infrastructure.

Overall, the theme reflects the growing importance of Business Analytics as a strategic tool for informed decision-making, enabling organizations to transform data into knowledge, knowledge into decisions, and decisions into measurable, sustainable impact for businesses and society.

OBJECTIVES OF THE CONFERENCE

- To explore the role of Business Analytics in transforming data into actionable insights for strategic and evidence-based decision-making.

- To examine how analytics can promote operational efficiency, resource optimization, sustainability, environmental stewardship and responsible business practices.

- To foster interdisciplinary collaboration among academia, industry, government, and policymakers through real-world analytics applications across diverse sectors.

- To support the achievement of the United Nations Sustainable Development Goals 8 and 9 by promoting inclusive economic growth, innovation, sustainable development, ethical, responsible, and transparent use of data.

- To encourage research, innovation, and the integration of digital technologies to enhance organizational competitiveness, resilience, and sustainable growth.

CONFERENCE THEME

Data to Decisions:

Transforming Insights into Sustainable Impact through Business Analytics.
